### News

In an effort to add new and fresh items to our lunch menu for the 2010-2011 school year we have decided to try some new lunches out in April.

Those days that are shaded feature items we are interested in using next year. We hope the students enjoy the additions and would like your input as well. Let us know what you think! Contact Annmarie at 243-6221!

1% white milk and 2% white milk are available for purchase during every lunch period.
